*A copy of the prevailing wage determination used in the above-referenced matter is available for public inspection at the employer’s place of business.

By this notice, the employer attests that the following conditions will be met:

1) The nonimmigrant will receive at least the local prevailing wage or the employer’s actual wage, whichever is higher, and will be paid for non-productive time as per Department of Labor regulations. The nonimmigrant is offered benefits on the same basis as made available to US workers.
2) The working conditions under which the nonimmigrant will be employed will not adversely affect the working conditions of US workers similarly employed.
3) There is no strike, lockout, or work stoppage in the occupational classification at the place of employment.
4) Notice is herewith provided to workers at the place of employment.

Complaints alleging misrepresentation of materials facts in the Labor Condition Application and/or failure to comply with the terms of the Labor Condition Application may be filed with any office of the Wage and Hour Division of the United States Department of Labor.
